Baby-DK-Cro-B02

SIZES

Actual measurement	Completed Blanket measures approx 30 cm, 12 in, square

YOU WILL NEED

- 50g balls of Paintbox Yarns Baby DK (As seen on cover)
  - 1 × A - Champagne White
  - 1 × B - Misty Grey
- Oddment of C - Slate Grey for embroidery
- 3mm (UK 11 – US C2/D3) crochet hook
- 4mm (UK 8 – US G6) crochet hook
- Washable toy filling

TENSION *(GAUGE)*

24 stitches and 24 rows to 10 cm, 4 in, measured over dc *(sc)* fabric using a 3mm (UK 11 – US C2/D3) crochet hook, or size required to give correct tension *(gauge)*.

It is vitally important to check your tension *(gauge)* before starting as working to the wrong tension *(gauge)* will mean your item will not be the size shown and could result in yarn being left over, or more yarn being required. Before beginning, crochet a tension *(gauge)* swatch at least 13 cm, 5 in, square and measure your tension *(gauge)*. If there are more sts and rows than stated, try again using a thicker hook. If there are fewer sts and rows than stated, try again using a thinner hook.

GOOD TO KNOW

- Paintbox Yarns cannot accept responsibility for the finished item if any yarn other than the recommended yarn is used.
- Yarn quantities are based on average requirements and are therefore approximate.
- Colour reproduction is as close as printing processes will allow.
- Instructions are written using UK terminology with changes for US terminology given in italics in round brackets ( ) afterwards.
- Repeat figures in round brackets ( ) the number of times stated afterwards.

MAKING UP

Press Main Section **only** very carefully.

Insert toy filling into Head so that Head is firmly filled but still fairly soft. Beg and end of rounds is centre back of Head, and last round is neck edge round.

Fold Ears flat – final round is edge that will be attached to Head. Using photograph as a guide, lay Ear Patch centrally along one side of Ear so that foundation ch edge of Patch is level with final round of Ear, and very neatly sew Patch in place.

Sew Ears to Head as in photograph – Ears should "flop" forwards, with Ear Patch towards front of Head.

Using oddment of C and photograph as a guide, embroider satin stitch eyes onto Head, then embroider a straight stitch "Y" shape for nose.

Insert toy filling into Arms so that Arms are firmly filled but still fairly soft. Fold Arm flat at top (last round) and then neatly sew Arms to neck edge of Head, using photograph as a guide.

Sew completed Head, Ears and Arms onto centre of Main Section as in photograph.

Safety note: Ensure all stitching is very secure to avoid the risk of the baby pulling sections apart and swallowing them!
