NOTES

- **The pattern is clickable, so you can click on the blue and underlined words to jump to the named point of the document. (ONLY in PDF format)**
- **If you make this toy for a child or a baby please pay attention to the toy making laws and regulations. For safety, embroider the eyes and nose instead of using safety eyes and nose. As with all children's products, adult supervision is required. Products that contain small parts may pose a choking hazard and should not be used by children under 3.**
- **If you would like to make this toy in another type of yarn, you can, but pay attention for the yarn and hook sizes. When pattern says to use smaller hook you should choose approx. 1 mm smaller hook and finer yarn.**
- **In this pattern work in spiral unless the pattern writes otherwise.**
- **If you don't understand something in the written part of pattern, you should take a look first the illustrations before crocheting.**

PLEASE, if you share your finished penguin on social media name me as the designer, to supporting my work. Thank you very much! ☺

In the write and translation of the English pattern [An aka katoenemie](#) helped, which I thank her very much again!

ABBREVIATIONS (US term)

MR = magic ring

Ro = row

R = round

ch = chain

st = stitch

slst = slip stitch

sc = single crochet

hdc = half double crochet

dc = double crochet

inc = increase = more single/halfdouble/double crochet in one stitch, e.g. inc

- **inc(2sc) = crochet in next stitch 2 single crochet**
- **inc(1sc, 1hdc, 1sc) = crochet in next stitch 1 single crochet, 1 half double crochet and 1 single crochet**

tog = together = decrease so you crochet together the next stitches the way what I write e.g

- **sc2tog = the next 2 stitch are crocheted together as a single crochet**
- **dc5tog = the next 5 stitches are crocheted together as a double crochet**

inv- = invisible decrease

BLO = back loop

FLO = front loop

+1ch = lifting chain at the end of the rows

HEAD

Supplies:
- ✓ **BIG PENGUIN: 4,5 mm / size 7 crochet hook; white, grey, black chenille yarn**
- ✓ **SMALL PENGUIN: 3 mm / ~size D/3 / size 11 crochet hook, white, grey, black yarn**

Make the head in 3 parts.

1. PART – The base of the head

Continue where the body is finished. Change to white yarn.

Fasten off and hide the yarn tail.

2. PART – Back side of the head (Illustration 2.)

Go back to tha body part and find Row38 where have to see the Front Loops. If you find them mark the front loops above the wings, which can be find the closest to the back side of the penguin.

Between both marks you should have 9 FLO in the back side, and 15 FLO in the front side (including marked stitches). So it's a total of 24 stitches.

At the marking pick up the beginner chain with grey yarn, and make more 24 chain. After that join the chains the other marked FLO with 1 sc, then make 8 sc in the FLO-s (in the back side). Join to the beginner chain and from here work in spiral. (This is the first round)

Illustrations
➢**Illustration 2.**

Fasten off PART 2. This part will be look like a cowl (hood). The yarn tail is inside the cowl.

PART 3. – Face

Work similar way as in PART 2. Pick up the beginner chain with black yarn, and make sc-s in the FLO-s on the front side. (Total 15sc) Then turn to the grey (PART 2.) chains, and crochet black 25 sc in that. (That will be the round 1.) (**Illustration 3.**)

R1:	**40 sc**	**(40)**
R2:	**15 slst; 11sc; inv – sc2tog; 12sc, 1 (joining) slst**	**(40) + 1ch**
Ro3:	**10sc; 4hdc; 10sc; 1 (joining) slst**	**(24) +1ch**

Attention! From now on start to crochet in rows! At the end of the 2nd round 1 slst can be seen. That slst connected the 2nd round to the neck (previously crocheted stitches from FLO-s), then lifting with 1 ch and turn the work. I did not add joining slst to the stitch numbers. After lifting at the end of rows, don't crochet in the joining slst, just into the sc-s.

Ro4: 9sc; 3hdc; 7ch; 6sc; 1slst (here crochet back the last hdc); 2hdc; 10sc; 1 (joining) slst **(38) +1ch**

In this row make the black tongue. After the third hdc pick up 7 chain, and turn back, and crochet 6 sc. Then join the tongue with 1 slst into the last hdc (starting chain where you started picking up chains), then continue crocheting in rows.

Ro5: 7sc; inv - sc2tog; 2hdc; 1slst; 5sc; inc(2sc); 6 slst; 2hdc; inv - sc2tog; 7sc; 1 (joining) slst **(34) +1LC**

Ro6: 7slst, 1sc, 2hdc, 1 st skip*, 5 spike sc (making sc below 1 row), inc(3sc), 5sc, 1 st skip*, 2hdc, 1sc, 8 slst + 1 (joining) slst **(34)**

*Skip the slst-s of the previous row!

Fasten off and leave a long yarn tail for sewing PART3. to PART1. If holes have formed due to the hdc-s fill those parts with embroidery to get a nice black surface.

BEAK

Supplies:
- ✓ **BIG PENGUIN: 3,5 mm / size E/4 / size 7 crochet hook; black cotton yarn, black chenille yarn**
- ✓ **SMALL PENGUIN: 2 mm / ~size B/1 / size 14 and 3 mm / ~size D/3 / size 11 crochet hook, black yarn**

Start crochet with finer yarn for big penguin and use the smaller hook for small penguin.

R1:	**MR with 5sc**	**(5)**
R2:	**2sc; inc(2sc); 2sc**	**(6)**
R3:	**2sc; [inc(2sc)] *2; 2sc**	**(8)**
R4-5:	**8sc**	**(8)**
	Switch to the black chenille yarn for bigger penguins and larger crochet hooks for small penguins.	
R6:	**[1sc, inc(2sc)] *4**	**(12)**

Fasten off and leave yarn tail for sewing. Sew it up to the head.

FINISH THE HEAD

We finish the head by embroidering the eyes in any way we like. On the small penguin, I embroidered V-shapes on the back of his head with black yarn, to make it less bold. If you want to do this also, this picture can help you. I started from the middle of the head and worked my way to the edges. The V-shapes span one row and there is 1 stitch distance between the two stems of the V.

ILLUSTRATION 1. – ATTACHING THE WINGS (1)

Fold the wing, 5 stitches on 5 stitches. To attach the wing, crochet through both opposite stitches.

1. step: Place the wing to the body.

2. step: Insert the hook in the 2 stitches of the wing.

3. step: Insert the hook in the stitch of the body, pull a loop through the 3 involved stitches and crochet 1 sc.

ILLUSTRATION 1. – ATTACHING THE WINGS (2)
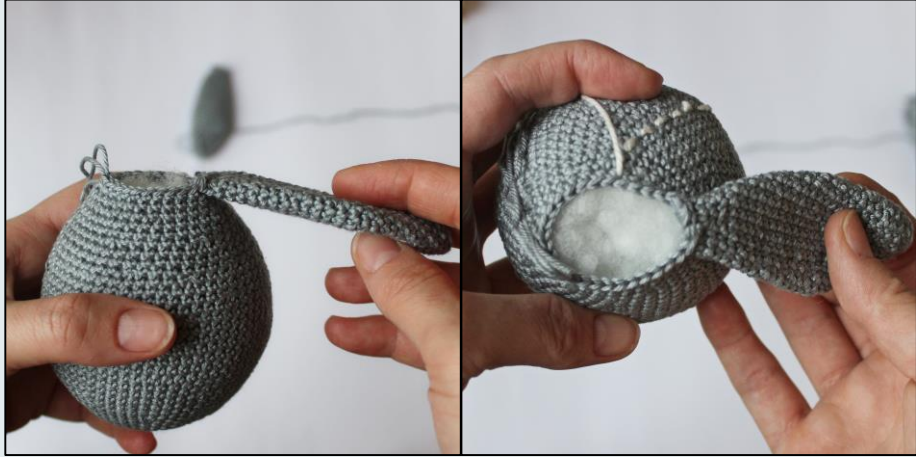

Crochet the 2 x 5 stitches of the wing by doing 5 times as written in step 2 and 3. You have attached your first wing! Do the same for the second wing.

Joined wings.

ILLUSTRATION 2. – PART 2. OF THE HEAD
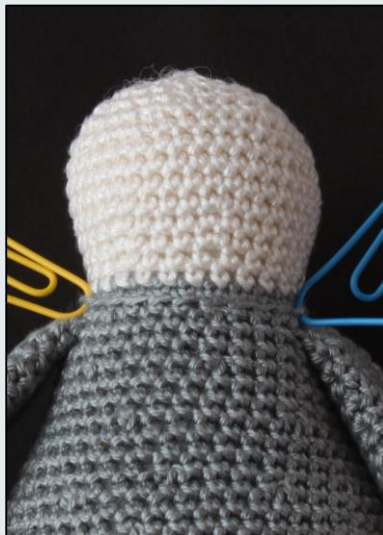

Mark the FLO-s in the neck. Start your chain with the gray yarn. (I used black yarn to make it more visible.) Start where I marked wit yellow.

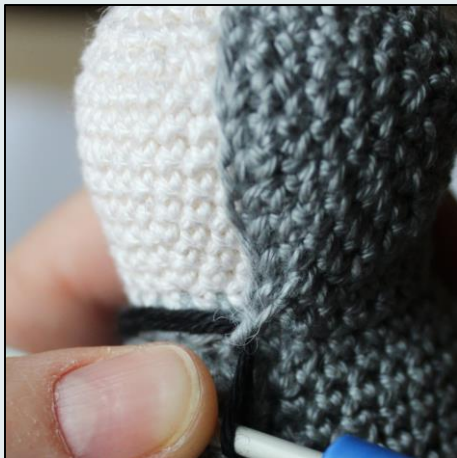

Chain 25 and join with 1 sc to the neck at the opposite side. Crochet 8 sc in the FLO's. This is the first row. Start to crochet in spirals from here.

BACK to PART 2. of head   FORWARD PART 3. of head

ILLUSTRATION 3. – PART 3. OF THE HEAD

1. step: At the end of the 1 st row, you need to arrive at the beginning st.

2. step: Crochet the first 2 rounds. From Row 3. on, keep crocheting in rows. In Row 3, pick up the chains of the tongue.

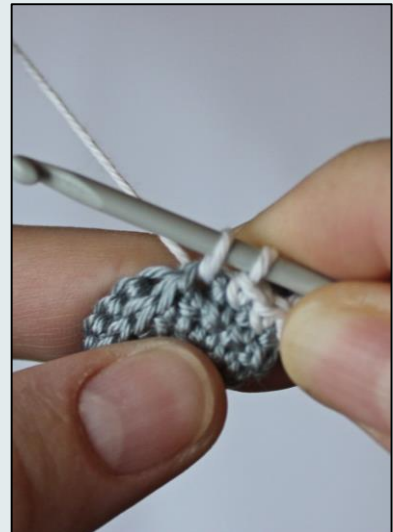

The finished PART 3. Sew it up to the PART 1.

ILLUSTRATION 4. – THE FEETS

I show you the method by making the foot of the little penguin. I used different colors, to make the steps more visible. You should use only black yarn.

Make the base of the foot. Fold this base in double. Insert the hook through the 4th (or 6 th) st and in the oppostie stitch, pull the loop through both stitches and crochet 1 sc.

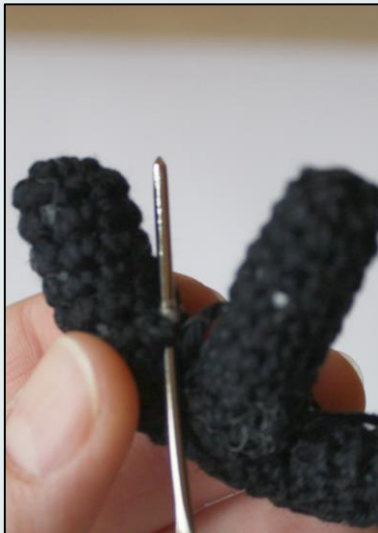

Turn your work and crochet 4 (or 6) sc, until you arrive at your beginning st. (Crochet 1 sc in the opposite sides joining st too!)

ILLUSTRATION 4. – THE FEETS

I show you the method by making the foot of the little penguin. I used different colors to make the steps more visible. You should use only black yarn.

The fingers are sewn together. Instert the needle in the inside line of the finger and pull the yarn, then do the same in the next finger. Repeat this until the end of the fingers.

Pull your yarn and the fingers will close. I usually leave a long yarn tail at the beginning of the fingers, and I use this one to sew them together. The last picture shows you a finished foot.
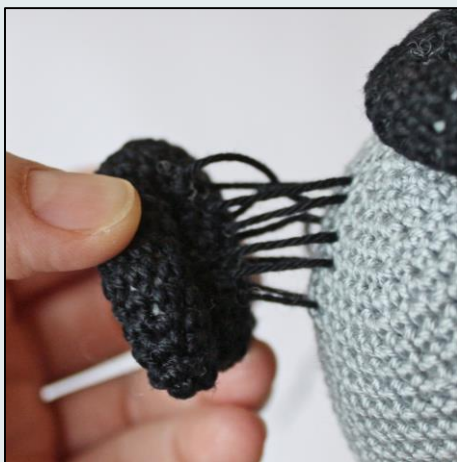

ILLUSTRATION 4. – THE FEETS

I show you the method by making the foot of the little penguin. I used different colors to make the steps more visible. You should use only black yarn.

1. step: Sew the feet on the body at Row 8.

2. step: Insert the needle in the body, then in the foot and do this until you reach the end of the foot.

3. step: Pull the yarn, so that the foot gets close to the body.

4. step: Do the same for both feet.
